# FUN THINGS FOR CHINCHILLAS

## CHINCHILLA FOOD

### CHINCHILLA DIET WITH ROSE HIPS

The Chinchilla Diet with Rose Hips, is manufactured with the freshest locally harvested ingredients. This diet has been developed and refined as a direct result of the manufacturer's close working relationship with Ph. D's in animal nutrition, along with chinchilla breeders with long-term experience, and local veterinarians. Through long-term use, chinchilla owners experienced impressively low disease and death rates in their animals, as well as high reproduction rates when feeding this diet to their stock.
