**Subject:** URGEN and DESPERATE APPEAL - Karen's dogs need foster/forever homes (AMANZIMTOTI DURBAN)

**Importance:** High

If anyone can assist with 1 or more of these dogs, please contact Melanie on 0824853142 or Karen on 0825780706.

Attached are 15 of the dogs that she has at present who need foster or forever homes.

Please send this message far and wide as you never know who might be able to assist - even if its just for a few weeks until something more permanent can be arranged.

For those of you who don't know the story behind this appeal, **Karen is a rescuer in Toti and along the months/years has picked up many strays, rehabilitated them and then found the perfect homes for them.**

**Many of these dogs have been abused and terribly neglected and it has taken time (and a lot of love) to get them to the point where they can be re-homed.**

**Karen's neighbour reported her for having too many animals and complaining about noise etc.**

The SPCA inspectors came around and confirmed that the dogs were in excellent condition and were all well looked after and clean (as well as the living area) but she did have too many.

It seems now that the neighbour didnt get what they wanted, so they have complained to the police who might end confiscating the dogs and taking them to the SPCA, where they will definitely be put to sleep.

We cannot allow Karen's hard work to be in vain!
